

LOW VOC

Perfeccoat

Low VOC Line

Perfect Color, Perfect World

You Have It All with a brand new Low VOC System

No more sacrificing cost to meet air quality standards now. We offer you a new comprehensive Low VOC refinish solution from toners to clear coat.

Powered by our formula, the new Low VOC System delivers high quality refinish with application technique, time and coating coverage remain the same as traditional automotive refinish products from YATU.

Basecoat System LV-1K Basecoat Toner

Mix Ratio: LV 1K Basecoat Colors + Reducer
1 0.6-0.8

<59°F	LV 1K Basecoat Colors	LV-5
59-86°F	LV 1K Basecoat Colors	LV-1/LV-2
>86°F	LV 1K Basecoat Colors	LV-2

Clear Coat LV-2500 Clear Coat

Double pack environmental friendly acrylic clear coat, VOC<250g/L (without exempt solvents), easy application, durable gloss and build, suitable for solid and metallic basecoats.

Mix Ratio: LV-2500 Clear Coat + LV-2511 Activator
4 1
